KS-22-01 10-piece sliding hammer set in set with thread adapters in various sizes

DESCRIPTION

The 10-piece sliding hammer set in the case KS-22-01 is used for pulling bushings as well as components with threads (dowel pins, key profiles, bolts, etc.) in crafts, industry, and workshops. The use of a sliding hammer is particularly recommended when there is no support surface available or when this is too sensitive. The ergonomically shaped, solid sliding piece allows the applied force to be optimally transmitted and a strong shock effect to be achieved. Additionally, it ensures contactless and gentle extraction. The thread adapters included in this set can be used for both internal and external threads.

APPLICATION AREA

For removing bushings as well as components with threads (dowel pins, feather keys, bolts, etc.) in crafts, industry, and workshops.

BENEFIT

- Application-oriented assembly for universal use
- By storing it in the case, the completeness of the set can be easily surveyed.
- With the help of the dimensions laser-engraved on the thread adapters, the thread can be uniquely identified.
- The included thread adapters can be used for various thread types and sizes.

MASTER DATA

GTIN [GTIN]	4021176924569
Country of origin	DE
Material	Tool steel
Series	KS-22
Gross weight [kg]	2,12 kg
Package contents	1 set
Packaging Act	PAPPE PAP 21
Worldwide sales capability	Yes (REACH, RoHS, POP, PROP65, TSCA)

SPARE PARTS

- 22-0-10 Sliding Hammer Device with 1 kg Impact Weight
- GA12-10_adapter with threaded pin
- GA12-10-GS_Set (5 pieces) Threaded pins M10X30
- GA12-3_Adapter with thread pin
- GA12-3-GS_Set (5 pieces) threaded pins M3X30
- GA12-4 adapter with threaded pin
- GA12-4-GS_Set (5 pieces) Threaded pins M4X30
- GA12-5_Adapter with thread pin
- GA12-5-GS_Set (5 pieces) Thread pins M5X30
- GA12-6_Adapter with threaded pin
- GA12-6-GS_Set (5 pieces) threaded pins M6X30
- GA12-8_adapter with threaded pin
- GA12-8-GS_Set (5 pieces) threaded pins M8X30
- VM12-10_connecting nut
- VM12-1516_connecting nut
- Connecting Nut
